

Come and join our

be together

Coffee Morning

Our Be Together coffee mornings are for bereaved families who have experienced the heartbreak of losing a baby, during pregnancy, at birth or soon after.

Come along for support and understanding in a safe and compassionate environment at our monthly coffee mornings.

Whether you're seeking advice, friendship, or simply a listening ear, you'll find it here among fellow parents who have walked a path similar to your own.

Together, we can support each other through this journey of grief.
